Thank you for your purchase. You will enjoy accommodations at a Coral Sands Resort preferred partner hotel. Please call 843-272-6480 to set dates for your package. We require a 2 week notice on travel dates. These packages are booked on a first come first served basis. Please allow as much time as possible when dates fall on or around major holidays. You will check in at our welcome center or designated preferred partner hotel where an agent will provide you with your hotel vouchers or room key and schedule your resort preview. If you will be arriving after 4 pm ET, please call our customer service number within 72 hours of arrival. If you are unable to travel, you MUST call our reservations department (843-272-6480) at least 72 hours in advance to avoid being charged full retail rate for one nights lodging. All Gifts and certificates are received after the tour's completion. Because of inventory fluctuations substitutions may be given in place of listed gifts. Any substitutions will be of equal or greater value. Please review the eligibility requirements and map showing you directions to the welcome center. If you have any questions please contact us. Have a great vacation!!!
