Dear Customer Service: Rooms 101

Thank you for setting up the vacation for Myrtle Beach for me. But I am sorry I must decline at this time due to unforeseen issues that have arrived due to health issues and financial situations that have occurred without warning. I do not know when I will be up for a vacation in the near future. But I will keep you in mind. So I am requesting the return of the funds I have already invested to you \$ 549.58. If you could please refund my credit card Discover I would truly appreciate this so much #204791

Thank You May God Bless all you do.  
Sincerely Juanita Wiltbank
