Ellie doesn't remember telling you anything. I dealt with that lady personally and Margo at the same time. Margo was supposed to send a certificate or something.

RSI will not pay us since she rescheduled.

I spoke to the lady and confirmed that she was going to go the following day but never showed up

Thank you.

She never rescheduled the tour with RSI. Margo said - I don't know who had the story about Mayes because she never rescheduled it was a mess and I remember that she told me Ellie's exact words she was getting paid for that tour because she had the wrong address and the couple felt that they should not have to go back again so Ellie specifically told me that they're being paid for that tour.

Please check this out.
