Dear travel partner,

Please note that we have replied to your ticket opened on our website in the Reservations Help Desk. Please kindly check your ticket to see your reply or add any extra information via comments.

Dear Andy,

Greetings from Hotelbeds.

Thank you for your patience.

We received the hotel answer and unfortunately they told us that they are sorry but due to the type of reservation they cannot cancel it without costs.

If there is something else we can help you with, don't hesitate to contact us.

*Kind regards,
Max Criollo*
