Good Afternoon,

I was writing to request that the room booked for August 4th-7th 2022 be cancelled. I've been calling the provided numbers and haven't been able to reach anyone at the aforementioned numbers.

As of today the \$50 deposit has been paid. This email is my 7 day notice that I want to cancel my room and per Rooms101 policy no more funds will be deducted from the bank account provided to Rooms101. I do desire to book the vacation package for another time.

Thank-you,

Meredith Ware
