

To whom this may concern within the customer service department located at P.O. Box 290538, Port Orange, FL 32129,

This letter should serve as written and legal consent that I Nykea Agbi along with my party of 4 would like to cancel my invoice#205817. I have attempted to reach out numerous times prior to 10/06/2022 and wasn't able to reach anyone and left numerous messages and never received a call back or anything until today 10/17/2022. I got someone eating on the phone while talking to me very unprofessional and hung up before I could finish my statement. I'm not sure what I did to deserve that mistreatment?

Please cancel my booking Thank you
