Hello,
Given that one child is under 5 years we can put them all in the same room, however they have to know that it will be a tight fit. We can only give them 2 double beds. There will be a charge of \$38 usd per night for the extra child if they are ok with this.

Monica,

Need to make sure that we are doing this correctly. There is a total of 5 in the party, 2 Adults and 3 children, so I am assuming that we will need to book 2 rooms??? They wanted everyone in 1 room but I didn't think we could do that, can we??

The kids are Julian Fountain-Agbi 12/1/2012 and Jayden Fountain-Agbi 4-29-2011 and Nevaeh Agbi 8/20/2018

Would you please confirm that we are booking this correctly and what the extra cost will be to MBA. I just want to make sure that we are doing this correctly.

Michele
