Please be advised that we are canceling our reservation for November 22 2022 as we have a conflict with the date now. I am mailing a letter to the P.O. Box listed in the paperwork but also wanted to email. Please refund our \$239.52 payment on October 17 2022 and cancel any upcoming payment associated with this reservation. I am aware that my \$50.00 deposit will not be refunded.
