GM Sir,

Thank you for processing the payment of \$280 yesterday. I resolved the issue on the other account. Apparently it was my short fall, I had not activated the new card replacement. Please go ahead and process the payment for the amount of \$122.14. If you have any questions please let me know.

Thanks,

You can pay anytime before the cancellation date. I look to see if there were any open account to see about transfer the money and I can not find any.
