There was no receipt attached for the resort fees. The agreement is that we will pay half of the fees.

Please send the receipt and this is for Connie Halstead correct.

I was promised resort fees would be taken care of. They told me to send over the receipt. This is for 1 day so that would be x3!! They said they couldn't print out all 3 because we've only been here 1 day... but this is the price per day. Please let me know when they are taken care of. Thank you
