**Priority** Normal

Invoice number 204848 I'm supposed to be there tomorrow but still haven't recieved any confirmation. I checked where I signed amber nothing under confirmation still.. at this point I I'd rather not use y'all at all. I was not given any of the bonus incentives I was promised I the woman was pushy and rude and now this is the most disorganized ordeal bc I don't even have the location details with room confrontation I'm not driving all the way there to find that my room was not reserved;!!!!!!!!!!
