Hi my name is capri wilder the reason why I want to cancel my trip is because my cousin who was supposed to come with me asked me to switch the date so that she can be able to pay and when I asked you guys can y'all switch it for her y'all did and then it was her time to pay she said that she didn't want to go any more she had me thinking all these months that went pass and you could of told me or at least said no when I asked the first time and I didn't have enough money to pay the other half and I had to pay my bills that's why I didn't have enough if my cousin would have never canceled on me we would still be going and I only had enough money to pay my half

Sincerely Capri Wilder
