Hello,

My credit card was charged a deposit on 4/29 with the process date of 4/30. However, the subsequent charge for the same card - was later declined and therefore, my reservation was cancelled for 7/17-7/19 without my knowledge. I am, now - requesting a refund of the \$50. I originally was looking to book another weekend in Savannah, GA but was told it wasn't available. My credit card number for the same account - has since changed and I would need to update. I can be reached back @ 7184968775.
