Hi Michele.
We have hundreds of reservations so sometimes we do get delayed. I have someone out sick as well right now so I am trying to do as much as I can.
The best way to avoid this from happening again is to do the same as the other agencies, that if for any reason you do not receive the confirmations within 5 days, send me a list of your unconfirmed and I will personally handle it. I dont want to lose your reservations and this will help avoid this happening again.
I apologize for this inconvenience.
