Good morning,

From Exploria :

Good morning,

Attached is the paperwork from the hospital.

The following Guest arrived to the preview center without her spouse due to the fact that he was admitted to the hospital. They are to check out today and could not reschedule.

Ms. Stewart arrived prepared to tour alone but was informed that both would have to be present in order to attend the presentation. Guest provided a medical document showing her spouse's admittance. She was informed that an e-mail would be sent and someone would reach out to her.

Thank you.
