At this time the client is only taking the original 3 nights booked check in 2/13. Please forward to us the correct confirmation.

I did advise client if they tried to add the night later might not be available.

Thanks  
Michele

Ok just a FYI. If they need that night later they may not get it because the resort is full so let me know as soon as possible. They told us they were arriving on the 12th is that still so or do we put it for the original dates?

My mistake. They are requesting a 4th night so we told them we had availability but they needed to contact you.

All set confirmed 612924-but they told us they needed to slightly change their dates to Feb 12-16. There is no problema on our end.
