

Work/School Release

Brittly Bacon was seen today at Dignity Health Urgent Care, Gilbert and a test for COVID 19 was performed. Results of this test will be called to the patient/guardian within 48 hrs. Return to work/school will follow current CDC guidelines as outlined below:

1. Negative test results-may return to work/school when symptoms free and no fever for 24hours.
2. Positive test results-may return to work/school after 10 days of home isolation and symptom free.

Please refer to the attached reference regarding home isolation instructions.

Please contact you primary care doctor for questions and further follow up.
