Hello, my name is Yucika Frazier and I made a reservation for May 31st-June 3rd for the Red Lion Hotel. I am requesting for my reservation to be left open due to a family emergency we will not be coming at the moment. I did speak to Margo Taylor minutes ago and she told me to send you this important message. Please leave it open as I will be calling back to reschedule for another date and time. If you have any questions please call me at (615)894-8102. Thank You so much
