I'm actually arriving on the 18th....I tried to add an extra day on to my vacation package with you guys but it was going to raise the price more than if I just booked directly through the hotel myself so that's what I did. With that said can you bump my time share presentation up to Thursday the 19th?

Thanks,

Jarvis

Hi,

We originally had our time share presentation scheduled for the morning of Friday, 9/20. Some plans have changed and we need to see if we can move it up to Thursday 9/19 around 12pm. Please advise, thanks.

Thanks,

Jarvis
