Charge Back Policy

Charge backs occur when your credit card provider requests that rooms101.com returns monies on a transaction which you dispute or claim is fraudulent. rooms101.com recognizes that charge backs can happen for a variety of valid reasons. However, if you make a credit card payment through rooms101.com in respect of a booking, and you later dispute this legitimate charge by raising a charge back without merit (in our sole discretion), whether fraudulently or otherwise, we may take steps to recover any charges resulting from such an unmerited charge back from you directly. Unmerited charge backs include but are not limited to: disputing a charge made in accordance with the Cancellation policy; disputing a charge made in respect of the rental and your touring obligation of resort or vacation club in which you fail to make reasonable efforts to work with rooms101.com to resolve any issues; or requesting a charge back without a legitimate reason and/or failing to provide any supporting information in respect of the charge back to allow those parties from which the charge back is requested to assess the basis of the charge back request. rooms101.com takes a zero tolerance approach to charge back fraud. Furthermore, in the event of any unmerited charge back requests, we reserve the right to recover monies by any legitimate means available to us, including using a third-party debt collection agency, or any other lawful means to recover funds successfully charged back to you in such circumstances.

I have read and understand our Charge Back Policy.
